

Club Signage, November, September 16, 2023 - BRP (NYSE: RDD, NASDAQ: RDD2) features its reputation of innovation by showcasing a Club BRP 2023 via different electric concepts within its current product lines and forward.

These concepts give a glimpse of what the future could hold, among others, for both of its current product lines and for other potential segments. As a leader in the power sports industry, BRP continues to push the limits of the industry by introducing new ways to move people and to explore new territories, while still providing the fun and exhilarating experience that riders expect.

BRP has been working to make these new ideas a reality by investing in research and development, talent, to name a few. The team is also looking for ways to make these concepts a reality. BRP is currently exploring the possibilities of electric power sports, including the development of a Club BRP electric concept, and the commercialization of its electric watercraft, boats.

**BRP** is a global leader in the world of power sports vehicles, power sports systems and accessories for over 70 years of ingenuity and innovation. BRP's portfolio of industry leading and distinctive products includes Ski-Doo and Lynx snowmobiles, Sea-Doo watercraft, Can-Am off-road vehicles, Polaris, Rotax and Predator boats, Rotax and Pulsion motor propulsion systems as well as Rotax engines for cars, motorcycles and recreational aircraft. The complete set of products built in dedicated plants, maintenance and training is fully tailored to the riding experience. With annual sales of \$2.8 billion from over 120 countries, our global workforce is made up of more than 32,000 drivers, recreational people.

Ski-Doo, Lynx, Sea-Doo, Can-Am, Rotax, Rotax, Predator, Rotaxcraft, Predator and the BRP logo are trademarks of Recreational Powercraft Products Inc. or its affiliates. All other trademarks are the property of their respective owners.
